

# Will school be 'enough' for your child this fall?

Many schools are staying online or adopting hybrid learning formats. This has many parents and kids concerned about the lack of structure and the risk of falling behind.

**YES! I'M WORRIED ABOUT THIS TOO!**

Educational Connections Tutoring has both **in-home** and **virtual** options to fill in the gaps, keep students on track, and make parent lives a lot less stressful.

*Act now to secure the package which is just right for your situation and how your child learns best:*
